

Child Safe Environment

POLICY STATEMENT

Our policy guides workers (paid and volunteer) on how to behave when interacting and engaging with children in our organisation. The policy focuses on how we can build and maintain a child safe environment which is inclusive, transparent and promotes children’s participation.

CHILDREN’S PARTICIPATION

Our organisation supports the active participation of children in the programs, activities and services we offer.

We provide a range of avenues that allow children to provide feedback or raise concerns. We listen to their views, respect what they say and involve them when we make decisions, especially about matters that will directly affect them.

RECRUITMENT

Abbotsford Community Centre will maintain a rigorous and consistent recruitment, screening and selection process.

New staff will be required to provide a valid NSW WWCC and a recently conducted National Criminal History Check before commencing work. This is in addition to the interview, and reference check phase of the recruitment process
